Thank you for your support and cooperation. Please remember that the successful sales/impact of your Vendor Booth (Ministry/Organization) will be determined by the help of our Ministry/Organization which you agree upon through our packages along with your "own efforts." Happily, please interact with as many people as possible to ensure maximum results. As just by being on the premises alone (which traffics an average of 158, 240 people daily in the heart of downtown, good weather willing) is promotion in itself & a seed planter for the future.

Such minimum ways of promoting (but not limited to) the event is by advertising on your own platforms (Website, Social Media, Emails, Text Messaging campaigns, etc.) Radio, Tv, Word of mouth, Flyers (physical/online), & etc. As Voices Of The Nations will be taking every measure to make all aspects of this event more than a success.
